Continuation of Substance of Interview including description of the general nature of what was agreed to if an agreement was reached, or any other comments: Claim 1 will be amended to positively recite limitations directed to a structure of a compressor in order to overcome the rejection(s) under 35 U.S.C. 112, 2nd paragraph. Regarding claims 9 and 12, this language along with corresponding reference numerals should be incorporated into the specification and drawings; therefore, applicant is suggested to correct claims 9 and 12 as following: "a motor driving a screw" should be changed to -- a motor driving screws /screw rotors.--. (see specification, page 3, line 17)...
